Problem solving - Team work - Planning - Management - Continuous learning

---

### EXPERIENCES

#### Front-end Developer

**Digimenu** • Germany • Full time - Remote • Feb 2024 - Dec 2024

- Developed and implemented key features including a Stripe payment system, a 3D table display using Matterport for an upscale restaurant, and a seamless reservation system, resulting in a 25% increase in user satisfaction and a 15% improvement in operational efficiency.
- Collaborated closely with cross-functional teams of 8+ members to deliver high-quality solutions, completing the project 10% ahead of schedule while demonstrating strong communication and teamwork skills throughout the project lifecycle.

#### Front-end Developer

**ShemiranWeb** • Tehran-Iran • Part-time • Nov 2022 - Dec 2023

- Developed and implemented responsive templates using HTML, CSS, JavaScript, and Tailwind CSS, ensuring pixel-perfect alignment with Figma designs and delivering a seamless user experience across devices.

- Wrote high-quality, scalable, and reusable code while adhering to industry best practices, resulting in improved maintainability and reduced development time for future projects.

## Front-end Developer

**Asrez** • Kashan-Iran • Part-time • Jan 2021 - Aug 2023

- Extensive experience in building dynamic web applications and websites using modern technologies such as ReactJS, NextJS, and pure HTML/CSS/JavaScript, delivering high-performance and user-friendly solutions.
  - Successfully developed and launched web applications including Kasian Media, Nota, and Panda Cloud Website, contributing to a 20% increase in user engagement through optimized performance and enhanced user experience.
-
